

Processing of Personal Data

1. Purpose of Processing:

- Personal data (email, first name, and last name) will be collected upon registration to the qLog tool for the purpose of user identification and provision of qLog services.

2. Types of Personal Data:

- Email
- First Name
- Last Name

3. Legal Basis:

- The processing of personal data is necessary for the performance of the contract between the user and CoreApp Technologies s.r.o., the operator of the qLog tool.

4. Retention Period:

- Personal data will be retained for the duration of the user's registration in the qLog tool. If the user deletes their account, personal data will be erased without undue delay.

5. Method of Processing:

- CoreApp Technologies s.r.o. will process personal data following the principles of GDPR data protection.

6. Data Transfer to Third Parties:

- Personal data will not be shared or transferred to third parties without the user's prior consent, except where required by law.

7. Individual Rights:

- Users have the right to request access to their personal data, its rectification, erasure, or restriction of processing. They may also lodge a complaint with the supervisory authority.

8. Contact Information:

- For any inquiries regarding the processing of personal data, you can contact CoreApp Technologies s.r.o. at gdpr@qlog.tech.

This document on the processing of personal data becomes effective upon users' commencement of using the qLog tool.
